Before his resignation in April 2007, Duncan Fletcher had been the most successful England cricket coach of the modern era. In the glorious summer of 2005 Fletcher's management and coaching skills reached their apogee, as England regained the Ashes from Australia for the first time since 1985. Widely acclaimed as the greatest Test series in the history of the game, this five-match contest thrilled the nation with its extraordinary swings of fortune. It was a personal triumph for Fletcher, and the high point of his tenure as England coach. One of the most experienced and senior figures in the game, Fletcher...
now looks back over his life and career as he ponders his next step. What was it that drove him from a sporty and competitive Rhodesian farming family to the heights of international cricket? What lessons has he drawn from his successful business career in forging a winning team? Full of telling insights and frank assessments of the players and administrators he has had the pleasure and pain of working alongside, Behind the Shades is the riveting and revelatory autobiography of the man who put the pride back into the England cricket team.

Overland Monthly and Out West Magazine

Alexander Lakker is a man who gets what he wants. The head of an international organization and newly elected politician, he toys with people’s lives in his spare time. But his grand plan for all of humanity is what he is constantly striving towards. As time draws near to bring his plan into effect, one man who starts off as a nuisance to Lakker soon becomes a major threat to everything that he has worked for.
Lakker also becomes interested in a brilliant female scientist. But is there room for softer human emotions inside such an ambitious mind? And are the people who are out to stop Lakker immune to the vises that make them human? Suspense, drama, action and science fiction all weave together to create the story that is Shades Of Gray.

The Truth Behind the Shades

Light in August: A-L
Waiting for the Man

This is a memoir by one of the first five female agents sworn in the US Secret Service in 1971. With her Smith & Wesson, her radio, and her wits, Sue Ann Baker navigated a new frontier for women. And like all frontiers, hers was full of challenges she could never have anticipated. Published in honor of the 150th anniversary of the Secret Service, this eye-opening memoir follows one woman's quest to crack the glass ceiling, and serves as a timely reminder that it hasn't shattered yet.

Bob Dylan: Behind the Shades Revisited

Dylan

Margin

This new edition of Behind the Shades has been completely rewritten and substantially enlarged to take account not only of the last decade, but of ten more years of original research by the author. The result is a fully comprehensive and highly illuminating biography.

Vier Farben der Magie

In virtually all areas of Dylan's life - his immigrant antecedents, his business dealings, his various addictions and his romantic attachments - Heylin is able to provide a fascinating picture of a man who
changed the whole course of popular music in the sixties and, over thirty years later, won three Grammys. Heylin has given full weight to Dylan’s own words and those of his closest associates, with over 250 people quoted in the book, helping to provide a portrait of a complex figure. Including 60,000 words of brand new material - dealing with Dylan's four twenty-first century albums; his archival audio-visual projects; his third film; his series of paintings and exhibitions; his autobiography, Chronicles; and his ongoing romantic liaisons and 'missing' marriages - this fully updated story of Dylan provides a monumental overview of the Man and his Music.

Have you ever experienced hurtful "shade" being thrown at you while speaking to someone yet you still engage in the conversation? Then walk away wondering why someone would say certain things without really knowing the entire story. On the other hand, a lot of women wear sun shades to hide their pain, tears or visible bruises, but there is always some truth behind the shades they wear. A book many women will find relatable, The Truth Behind the Shades highlights the unique journey of six individual women as they reveal their pain, sleepless nights, moments of clarity, but most of all - their reality. You will experience their resounding faith, courage and commitment to change. Their backgrounds may be
different, yet they all have a common factor which allows their bond to be strong.

Don’t miss the incredible, spine-chilling SHADES OF DEATH series from USA TODAY bestselling author Debra Webb, master of suspense! Serial-killer hunter Nick Shade built his legendary career chasing monsters—sadistic criminals with a gruesome thirst for death. When he rescued Montgomery detective Bobbie Gentry from horrific captivity and helped her reclaim her life, he didn’t intend to be a hero. Bobbie can’t forget the nightmares of her trauma at the hands of the Storyteller—or the man who saved her. Working with Nick to outmaneuver the person behind a deadly vendetta feeds her hope that there’s more to her world than ghosts and destruction. Maybe joining Nick’s search for a killer is about gratitude. Maybe it’s nothing more than cold revenge. But the only way they can protect themselves is to trust each other. THE BLACKEST CRIMSON originally published in 2016. NO DARKER PLACE and A DEEPER GRAVE originally published in 2017.

The Man Behind the Magic

The extraordinary life of the best poker player who ever lived When Stuey 'The Kid' Ungar took his first World Series of Poker title, one journalist asked him what he would do with the money. His answer: 'Gamble it'. Stuey grew up among the hoodlums and wiseguys of New York's Lower East Side. A pint-sized high-school drop out who never worked a day in his life, never had a bank account or paid a penny in taxes, he lived to gamble and became the world's most feared card player. From the multi-million dollar fortune he won and lost, the addictions that consumed him, and one of the greatest phoenix-from-
the-ashes comebacks of all time, this is the story of a Las Vegas legend.

The Shades of the Wilderness

In May 2001 Bob Dylan will be sixty years old. Ten years ago, Clinton Heylin published his groundbreaking biography of the man. Behind the Shades, which The New Yorker recently singled out as "the most readable and reliable" of all Dylan biographies. This new, updated version has been completely rewritten from the bottom up, is significantly enlarged, and takes into account not only the last tumultuous decade of Dylan's life, but an additional decade of research by the author. The result is the definitive biography of the man many argue is the singular figure in twentieth-century popular culture. Bob Dylan: Behind the Shades Revisited follows Dylan along one of the most extraordinary and daring paths ever taken by a performing artist: his awkward childhood in Minnesota his arrival in New York and rise as the unwitting leader of a political folk revolution his controversial move toward electric rock the spooky and uniquely American Basement Tapes his forays into country-western music the lost albums of the eighties his paranoia, addiction, and seclusion his reemergence after a near-fatal 1997 heart infection with the triple Grammy Award-winning Time Out of Mind the endless touring life the hundreds of timeless songs that have become a part of American and worldwide consciousness Most biographies of Bob Dylan are mired in the sixties, but Bob Dylan: Behind the Shades Revisited is the only one that gives equal weight to all the extraordinary phases of Dylan's forty-year career. As ever, Dylan remains an endlessly fascinating, mysterious, and obsessively private man. For years he has managed to keep much of his personal life a secret, and Clinton Heylin, Dylan's most prolific chronicler, remains the first biographer to give the world a true sense of what drives, inspires, influences, and shapes the man behind the music, the man behind the shades.

Seeing the Real You at Last

This book presents backgrounds and personal lives of the men who became significant world leaders in relation to the German Fuehrer, Adolf Hitler. The geographic regions include England, Germany, Russia,
France, Italy, Spain, China, India, Japan, and Australia. In addition, the author includes notable figures from the Third Reich in the final two chapters.

Shades of Yesterday

"I've never seen a Bob Dylan smile, except in photos or on the stage. Not the real thing." Britta Lee Shain was a friend of Bob Dylan's until he asked her to join him on the road in the mid 1980s, at which point she became more than a friend. In this intimate and elliptical memoir of their time together, at home in Los Angeles and on tour with Tom Petty and the Grateful Dead, she offers a unique portrait of the romantic, earthbound, and poetic soul trapped in the role of Being Bob Dylan. "If you were my woman, I'd be worth four times as much." Entire libraries of books have been written about Dylan, but few--if any--offer any lasting insight into the man behind the shades. Until now. Written with the elegance of a poet and storytelling snap of a novelist, Seeing The Real You At Last is a poignant and tender romance that reveals Dylan's playfulness, his dark wit, his fears and struggles, his complex relationships with the men and women in his life, and, ultimately, his genius.

Bob Dylan - No Direction Home

"Now within sobriety, I felt I had created such a mess with my life that any love others held for me must surely be gone. Looking for love from someone, from anyone, I became convinced it no longer existed. How do you get over that?" Although Sheila Raye Charles was surrounded by people, she was overwhelmed with loneliness. Those she should have been able to trust had failed her; life itself seemed to mock her attempts to overcome not only her own past but also the choices of those who had lived before her. Sometimes it seemed there was no hope beyond these shadows she could never seem to escape "Listen to Sheila Raye; she knows what she's talking about." -John Legend, Nine-time Grammy Award winner and recipient of Starlight Award from the Songwriters Hall of Fame

Shades of the Orient

Bob Dylan
In this action-packed suspense in the exotic Orient, a classic tale of good versus evil—spies, smugglers, and betrayal—who will be unmasked? The Smuggler Black Jade is many things. Hiding behind a prominent name by day and a Chinese mask by night, he can be anyone—just not the man he wants to be. Trapped in an ever-tightening web of deceit and pursued relentlessly by the White Dragon, he must choose which man he wants to be. When a way out is offered from a surprising source, will he choose power or let it go? The Spy A Spanish officer, a black market dealer, a shipping executive, an intelligence officer—Philip Montero is skilled at wearing masks to defeat the enemy, but this time he must face the enemy within. Plagued by nightmares, he must unlock his past in order to survive. Time is running out, though, and Black Jade has targeted the woman of his heart. Betrayed by his family, his former fiancée, and his fears, who can teach him how to trust again? The Senorita Shipping-heiress-turned-missionary-nurse Francesca McRae is a target everywhere she turns. Desired as an heiress by power-hungry men and hated by the Chinese Boxers for her interference in the culture, she is surrounded by deception and hatred. None of her suitors are who they seem, yet one has stolen her heart. When loving others becomes more than she can handle, who can she trust? Where do you turn when life is too much to handle?

The Man Behind the Shades

Shades of Gray Complete Civil War Trilogy

Graham Bonnet was born in Skegness in 1947 and had his first hit single with The Marbles in 1968, "Only One Woman" which reached Number 5 in the UK Singles Chart.. So runs Graham Bonnet's wikipedia entry. Of The Skyliners, The Peter Tomlinson Band, The Jimmy Aldred Band, The Jan Ramsden Band, The Missing Links, The Blueset, The Bluesect and The Graham Bonnet Set not a word. This new biography of the much travelled rock singer more than fills the missing gaps. After his work with The
Marbles, Bonnet delivered a well-regarded solo album in 1977 which was the spring-board for his rock career, with Ritchie Blackmore’s Rainbow the first to call. After the chart album Down To Earth, Rainbow suddenly found themselves with well-crafted AOR hits in the shape of "Since You Been Gone" and "All Night Long". The band headlined the first Donnington Monsters Of Rock festival in 1980, but Bonnet quit to record a star-studded solo album and top ten single Night Games. Bonnet was then quickly snapped up by ex-UFO guitarist Michael Schenker in the Michael Schenker Group (MSG) for the powerful Assault Attack album. Bonnet's most consistent rock project came in 1983 when he decided to put his own band together; Alcatrazz became a huge draw on the rock circuit for the next four years, with a number of albums to their name. They became particularly successful in Japan (where Bonnet remains very successful.) Now based in LA, the ever adaptable Bonnet continues to record and tour on a regular basis, with a new album issued just a few months ago. Watching Rainbow live in 1980, no lesser person than Ozzy Osbourne described Graham's performance as the best by a rock vocalist he had ever witnessed.
